

Lark Hall Infant and Nursery Academy Sports Premium Strategy 2018 - 2019

Objectives of Sports Premium Spending

Purpose of the premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets
- Teaching the minimum requirements of the existing PE curriculum.

Accountability: The head teacher senior leadership team and PE Leader will monitor, evaluate and review the strategies we have put into place for Sports Premium and report to the governing body on its progress and impact to inform governor accountability.

Overview of Lark Hall Infant Academy's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

We spend our PE and sport funding in order to improve PE and sport participation; to enable pupils to develop a healthy, active lifestyle. Our aims are to create sustainable development by:

1. Engaging all pupils in regular physical activity – kick-starting healthy active lifestyles;
2. Ensure the profile of PE and sport is raised across the school as a tool for whole school improvement;
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broaden the experience of a range of sports and activities offered to all pupils;
5. Increase the participation opportunities in competitive sport

Our rationale for spending the money in this way is:

“ALL pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

(The DfE Vision)

How the improvements made will be sustainable in the future:

- Increased knowledge and skills of all staff members
- Strong links established with local Primary and Secondary Schools
- Links formed with local community clubs in subsequent years.

At Lark Hall Infant and Nursery Academy, the PE and Sports funding is spent in a variety of ways with the direct and explicit aim of making additional and sustainable improvements to the provision of PE and sport. This is for the benefit of all pupils to encourage the development of healthy, active lifestyles.
