

INFECTIOUS DISEASES COVID-19

First Aid Risk Assessment

[Back to index](#)

Hazard/ Activity	Persons at Risk	Risk	Control measures in use	Actions taken	Further Action Required	
					YES	NO
Insufficient first aid materials or trained persons in an emergency due to number of staff available to be in school as a consequence of self-isolation, illness or an underlying condition.	Pupils Staff Visitors	Ill Health Incidents	<ul style="list-style-type: none"> There is no hazardous or high-risk activities/equipment/plant etc. within the school that would cause fatal or disabling injuries when used as instructed/appropriately. The response time for an ambulance/for persons to reach the hospital is estimated at 20 minutes. (Likelihood of ambulance being sent due to breathing difficulties is increased by calling 999). The school has a sufficient number of first aiders: Children between 2-5 years schools must use their best endeavour's to ensure one person with a full 12hr Paediatric First Aid Certificate is on site when children are present. Regular refresher training is undertaken prior to expiry date by the nominated first aid personnel to ensure 	<p>Children not allowed on play equipment – break times limited to 15 minutes including transport time – no equipment – highly supervised</p> <p>99 called if Covid suspected</p> <p>First aid ratios extremely high (large proportion of staff fully</p>		<p style="text-align: center;">X</p> <p style="text-align: center;">X</p> <p style="text-align: center;">X</p>

			<p>competence/knowledge is up to date. Training expiry dates can be extended by up to 3 months. Applies to certificates expiring on or after 16.03.2020.</p> <ul style="list-style-type: none"> • First aid kits available. • First aid provision is checked on a weekly basis by class teacher and by a nominated person monthly who will record these checks, and any used stock is replenished. • A 999 call will be made for any serious injuries that are beyond the capabilities of the trained first aid persons. 	<p>trained)</p> <p>Every class has a first aid kit and is checked weekly (CM RW)</p>		<p>X</p> <p>x</p>
<p>Insufficient trained First Aiders in an emergency due to number of staff available to be in school as a consequence of self-isolation, illness or an underlying condition.</p>	<p>Pupils Staff Visitors</p>	<p>Ill Health Incidents</p>	<ul style="list-style-type: none"> • There is a sufficient number of first aiders to provide first aid treatment for the number of staff and pupils in the school, at all times. • Sufficient first aiders to provide cover for holidays, illness etc. • All staff are aware of how to summon first aid assistance. • Accident forms are used to record serious incidents. • There must be no illegal items in the first aid kits i.e. Aspirin, Paracetamol, creams etc. • Continue to follow the most recent information from the Government / guidance from Health Protection Team (HPT) & Public Health England (PHE), this guidance obviously takes precedence. 	<p>First aid ratios extremely high (large proportion of staff fully trained)</p>		<p>X</p> <p>X</p> <p>X</p> <p>X</p> <p>X</p>
