

PARTIAL SCHOOL RETURN - COVID-19 – EYFS

Please note many further actions taken indicated as yes – this will be a wait and see if current ideas work

[Back to index](#)

Hazard/ Activity	Persons at Risk	Risk	Control measures in use	Action taken	Further Action Required	
					YES	NO
EYFS children arriving to school	Pupils Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> Consider where possible, having a one-way system introduced when parents bring pupils to school (e.g. They could enter through the carpark gates and leave via the school pedestrian gate) 2 metre rule to be enforced while they are waiting for staff to receive their children <p>Staff member who is possibly outside enforcing the rules should wear a face covering and gloves.</p>	<p>Reception parents to follow the one way system around the school.</p> <p>Pre-school parents to follow the one way system and wait near the bike track until staff receive their child and then rejoin the one way system.</p> <p>Gloves and Facemask not worn but will review – want</p>	X monitor	

				to not scare children		
Staff receiving EYFS child from Parent – Upset children	Staff Children Parents	Spread of Infection due to close contact	<ul style="list-style-type: none"> If a child does not want to leave their parent and are distressed then the staff member must keep their distance and try to persuade them with words. If child is still distressed that parent will need to take the child home as staff cannot get in close contact with the child. 	Parent of children most at risk of this have been informed of this procedure before return to school	X To be monitored	
EYFS learning environment.	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> Reception - The classroom must be set up to ensure a 2-metre rule is in place between each child. Each child to have an individual work station. Pre-school - Each child to have a work station/area that they can work on. Workstations/areas will be 2m apart where possible. The teacher's workspace/chair must be kept 2 metres away from the children's tables/desks/workstations. Tissues available on each table/workstation for pupils to use when coughing or sneezing and 	Reception - 15 per class following government guidelines Pre-school -8 per class following government guidelines 2m no go zone at front of class Tissues and lidded bins provided		X X X X

			<p>they must go into a bin after one use. Regular reminders by staff.</p> <ul style="list-style-type: none"> The outside area will be kept clear in order to increase space for children to remain apart if possible. Climbing frame and trim trail to be cordoned off due to lack of ease of cleaning. Signs placed on this equipment as a reminder it is not in use. 	<p>Outside area cleared</p> <p>Cordoned off and signs placed.</p>		<p>X</p> <p>X</p>
EYFS resources	Staff Children	Infection control	<ul style="list-style-type: none"> Activities with resources will be limited. Activities to be limited to resources which can be cleaned between each use in both the inside and outside areas. Resources which can't be cleaned removed from the classroom and outside area e.g. soft furnishings, sand and share playdough. 	<p>Resources moved from classroom and outside area. Cleaning fluid purchased. Activities sorted by ease of cleaning.</p> <p>Resources which can't be regularly cleaned removed from classroom</p>		<p>X</p> <p>X</p> <p>X</p>

			<ul style="list-style-type: none"> • Children to be provided with individual named packs of frequently used resources e.g. pencils, scissors, glue. • Resources used during the day to be left in an appropriate cleaning solution overnight. These resources will be changed daily. • A small amount of books to be available each day (children to be given individual books for the day). These books will then be wiped over and not used until the next week. 	<p>Own packs of frequently used resources ready.</p> <p>Cleaning fluid ordered. Activity trays and cleaning station set up.</p> <p>Book boxes for each day of the week set up.</p>		<p>X</p> <p>X</p>
Story time infection control	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> • EYFS staff to be seated on a chair and children sitting on chairs/spots spaced in a circle. • Where possible try and ensure children are 2 metres away from each other. • Consider placing chairs/spots on floor for children to sit on. 	Use of the classroom area to split into workstation space and story time space with chairs/spots.		x

Children requiring to use the toilet in lesson times	Children Staff	Infection Control	<ul style="list-style-type: none"> • Inform the child of the importance of washing their hands after using the toilet and where possible on their return to the classroom use the hand sanitiser on entering the classroom. Staff to supervise due to the young age of the children with both verbal and visual reminders. • For those children requiring support with using the toilet see the intimate care section. 	Hands washed on every return – staff members on toilets ensuring children wash their hands. Visual reminder (Makaton – to wash hands)		x
Intimate Care	Staff	Lack of infection Control	<ul style="list-style-type: none"> • When staff are carrying out any intimate care they must: • Wear Gloves • Wear an apron • Wear a mask • Nappies, wipes etc. must be double bagged and placed into a bin (preferably a closed bin) • Soiled clothes to be double bagged and given to Parents on collection of child. • Staff must wash their hands once gloves and masks are removed • Record all intimate care carried out. 			X X X X X X x

Children who are upset	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Where a child is upset it is advised still trying to maintain a safe distance whilst offering comfort to child. • Encourage child to use a tissue to wipe eyes/nose etc. • If contact is required, consider wearing a face covering. • Wash hands after contact 			<p style="text-align: center;">X</p> <p style="text-align: center;">X</p> <p style="text-align: center;">X</p> <p style="text-align: center;">X</p>
